Automated Delay Repay

Register for Automated Delay Repay (ADR).

ADR cuts the time it takes to claim and receive compensation if your train is late.

It works for customers who have bought Advance tickets or a Touch Smartcard season ticket from our website.

Click on "Delay Repay" at the top of the homepage of our website or use the QR code above to get more details on how to register for Delay Repay or setup ADR.

Buy a ticket before you board

You need to buy a valid ticket before you get on your train.

We know that most of our passengers do this before travelling, and we have a duty to those passengers to make sure no-one travels without paying. This is why we run a penalty fares scheme across most of our network.

If you travel without a valid ticket to or from a station within the penalty fares area, you may have to pay a penalty fare. A Penalty Fare is £100 plus the price of the full single fare applicable for your intended journey. However, if it is paid within 21 days, the Penalty Fare is reduced to £50 plus the price of the single fare applicable.

We have a policy to, wherever possible, prosecute everyone who deliberately avoids paying.

Cycles on trains

The services in this timetable have limited room for cycles, so we have had to apply some restrictions. The ★ symbol, with train times printed in **blue**, shows which trains have restrictions. These restrictions are explained in the 'Guide to notes and symbols' section.

We will carry folding cycles on any train, as long as they can be folded small enough to be carried safely in the luggage rack. Cycles are not allowed on buses that replace trains during engineering work.

Changes to train times

Network Rail need to do engineering work to maintain and improve the rail network. They do a lot of this work at weekends and during holiday periods, but they also need to do some work overnight during the week.

If we need to close rail lines so Network Rail can carry out work, buses will replace train services. We may also have to alter train services over a wider area.

Please check for any changes to train times before travelling at weekends, late in the evening or early in the morning.

Look for the 'Changes to train times' posters at stations, or visit our website at **[southwesternrailway.com](https://www.southwesternrailway.com)**.

No-smoking policy

For the comfort of all our customers, smoking and using e-cigarettes is not allowed on any part of our trains or stations.

You can smoke outside the station entrance or in our car parks.

Travel with Confidence

So that you can travel with confidence, we are ventilating trains to refresh air, improving information about journeys and trains, and extensively cleaning trains and stations.

South Western Railway

Changing trains

Most journeys shown in this timetable are direct trains, shown in **bold type**. However, you may be able to make other journeys or reach your destination more quickly by changing trains. To help you find these alternative trains, we show them in the timetable with *light italic type*. A letter against the time will show where you need to change trains – please check the 'Notes' section for an explanation of these letters.

Please allow plenty of time to change trains. At most stations you will need to allow at least five minutes. You will need longer at some stations, and this is shown in the 'Station information' table in this timetable. For example ⑩ means you should allow 10 minutes to change trains at this station.

MONDAY TO FRIDAY

South Western Railway and Community Rail Partnerships

We are committed to working with Community Rail Partnerships (CRPs) across our network. CRPs are not-for-profit organisations that help to further connect the railway with the communities they serve. They work closely with SWR to promote healthy and sustainable travel, design projects which bring communities together, as well as support social and economic development. SWR is proud to provide core funding and support to 12 CRPs on our network.
