## ISLAND LINE Isle of Wight to Portsmouth Harbour

### Train times

17 May until 19 September 2026

## Your timetable

This timetable shows Island Line train services between **Shanklin and Ryde Pier Head**. Times for the connecting bus link from Shanklin to Ventnor are also included.

Ferries from Ryde Pier Head to Portsmouth Harbour offer connections to mainland train services by South Western Railway to London Waterloo, Southern to London Victoria and Great Western Railway to Cardiff.

Customers for the Isle of Wight Steam Railway should travel to Smallbrook Junction for connecting services. For more information please visit [iwsteamrailway.co.uk](http://iwsteamrailway.co.uk).

## Buy a ticket before you board

You need to buy a valid ticket before you get on your train. We know that most of our passengers do this before travelling, and we have a duty to those passengers to make sure no-one travels without paying. This is why we run a penalty fares scheme across most of our network.

If you travel without a valid ticket to or from a station within the penalty fares area, you may have to pay a penalty fare. A Penalty Fare is £100 plus the price of the full single fare applicable for your intended journey. However, if it is paid within 21 days, the Penalty Fare is reduced to £50 plus the price of the single fare applicable.

We have a policy to, wherever possible, prosecute everyone who deliberately avoids paying.

## Automated Delay Repay

Register for Automated Delay Repay (ADR). ADR cuts the time it takes to claim and receive compensation if your train is late.

It works for customers who have bought Advance tickets or a Touch Smartcard season ticket from our website.

Click on "Delay Repay" at the top of the homepage of our website or use the QR code above to get more details on how to register for Delay Repay or setup ADR.

## Public holidays

Services are subject to alteration during public holidays and passengers are advised to check train times before travelling.

## Travel with Confidence

So that you can travel with confidence, we are ventilating trains to refresh air, improving information about journeys and trains, and extensively cleaning trains and stations.

## National Rail Enquiries

For full details of train services and fares please telephone **03457 48 49 50**.

This is a local call rate service available 24 hours a day.

## Connections

Please note that connections cannot be guaranteed. Rail and ferry services may not be held in the event of late running.

## Cycles on Island Line

A maximum of four cycles may be carried at no charge in the 'Shanklin end' of all trains. Island Line reserves the right to restrict the carriage of bicycles on any trains when the safety and comfort of passengers or the punctuality of the train may be jeopardised. Implementation of this restriction will be at the guard's discretion.

**Please note that tandems and cycles with attachments cannot be carried.**

## No-smoking policy

For the comfort of all our customers, smoking and using e-cigarettes is not allowed on any part of our trains or stations.

You can smoke outside the station entrance or in our car parks.

## Changes to train times

Network Rail need to do engineering work to maintain and improve the rail network. They do a lot of this work at weekends and during holiday periods, but they also need to do some work overnight during the week.

If we need to close rail lines so Network Rail can carry out work, buses will replace train services. We may also have to alter train services over a wider area.

Please check for any changes to train times before travelling at weekends, late in the evening or early in the morning. Look for the 'Changes to train times' posters at stations, or visit our website at **[southwesternrailway.com](http://southwesternrailway.com)**.

## Changing trains

Most journeys shown in this timetable are direct trains, shown in **bold type**. However, you may be able to make other journeys or reach your destination more quickly by changing trains. To help you find these alternative trains, we show them in the timetable with *light italic type*. A letter against the time will show where you need to change trains – please check the 'Notes' section for an explanation of these letters.

Please allow plenty of time to change trains. At most stations you will need to allow at least five minutes. You will need longer at some stations, and this is shown in the 'Station information' table in this timetable. For example N means you should allow 10 minutes to change trains at this station.

# South Western Railway and Community Rail Partnerships

We are committed to working with Community Rail Partnerships (CRPs) across our network. CRPs are not-for-profit organisations that help to further connect the railway with the communities they serve. They work closely with SWR to promote healthy and sustainable travel, design projects which bring communities together, as well as support social and economic development. SWR is proud to provide core funding and support to 12 CRPs on our network.
