

# PORTSMOUTH MAINLINE AND ISLAND LINE

On 19 May 2019, South Western Railway will be introducing changes to its timetable, adding over 300 train services per week across the network.

Many of these service enhancements are based on consultations that were undertaken with stakeholders. We are very pleased to see these improvements come to fruition.

The highlights for the Portsmouth direct line are:

- Additional peak hour services on the Portsmouth direct line
- Additional services between Waterloo and Hedge End, Botley, Fareham
- Additional late evening weekday services to / from Waterloo and Haslemere / Portsmouth
- Additional Sunday afternoon fast Waterloo – Portsmouth and Southsea services in both directions (routed via Cobham)
- Doubling of the frequency of services at Godalming
- New Farnham to Guildford service
- The Island Line summer Sunday service of two trains per hour will continue throughout the winter
- The detailed changes to the Portsmouth direct and Island Line services have been grouped below as follows:
  - New, extended or reduced services
  - Changes to stopping patterns (some of these are incorporated in 1. above)
