Your timetable

This timetable shows services between **Guildford, Farnham and Ascot via Aldershot**. It also shows direct trains between Farnham and London Waterloo via Ascot (Monday to Friday).

For services between Ascot and London Waterloo, please see timetable 2. For services between Aldershot, Ash Vale, Woking and London Waterloo, please see timetable 10.

The following mini-guide is available to download for routes covered by this timetable.

- **Ash Vale and Aldershot to Farnham** - number 51

Buy a ticket before you board

You need to buy a valid ticket before you get on your train. We know that most of our passengers do this before travelling, and we have a duty to those passengers to make sure no-one travels without paying. This is why we run a penalty fares scheme across most of our network.

If you travel without a valid ticket to or from a station within the penalty fares area, you may have to pay a penalty fare of £20 or twice the single fare to the next station your train stops at (whichever is higher). You will also have to buy a ticket for the rest of your journey.

We have a policy to, wherever possible, prosecute everyone who deliberately avoids paying.

Travel with Confidence

So that you can travel with confidence, we are: ventilating trains to refresh air, improving information about journeys and trains, and extensively cleaning trains and stations.

In crowded spaces, wear a face covering out of respect to others. Please be considerate of other passengers and rail staff.

No-smoking policy

For the comfort of all our customers, smoking and using e-cigarettes is not allowed on any part of our trains or stations.

You can smoke outside the station entrance or in our car parks.

Changes to train times

Network Rail need to do engineering work to maintain and improve the rail network. They do a lot of this work at weekends and during holiday periods, but they also need to do some work overnight during the week.

If we need to close rail lines so Network Rail can carry out work, buses will replace train services. We may also have to alter train services over a wider area.

Please check for any changes to train times before travelling at weekends, late in the evening or early in the morning.

Look for the 'Changes to train times' posters at stations, or visit our website at **[southwesternrailway.com](https://www.southwesternrailway.com)**.

Cycles on trains

The services in this timetable have limited room for cycles, so we have had to apply some restrictions. The ★ symbol, with train times printed in **blue**, shows which trains have restrictions. These restrictions are explained in the 'Guide to notes and symbols' section.

We will carry folding cycles on any train, as long as they can be folded small enough to be carried safely in the luggage rack. Cycles are not allowed on buses that replace trains during engineering work.

Automated Delay Repay

We have introduced a new Automated Delay Repay (ADR) system that drastically cuts the time it takes to claim and receive compensation if your train is late.

ADR works for all customers who have bought Advance tickets or a Touch Smartcard season ticket from our website.

If you have a Touch Smartcard season ticket, you will need to touch in and out at the beginning and end of your journey, sign up for a Delay Repay account at

delayrepay.southwesternrailway.com and select 'Auto Delay Repay'. (The email addresses you use for 'My Account' and 'Delay Repay' must match.)

To find out more about Automated Delay Repay, visit:

Changing trains

Most journeys shown in this timetable are direct trains, shown in **bold type**. However, you may be able to make other journeys or reach your destination more quickly by changing trains. To help you find these alternative trains, we show them in *light italic type*. A letter against the time will show where you need to change trains – please check the ‘Notes’ section for an explanation of these letters.

Please allow plenty of time to change trains. At most stations you will need to allow at least five minutes. You will need longer at some stations, and this is shown in the ‘Station information’ table in this timetable. For example ⑩ means you should allow 10 minutes to change trains at this station.
