

24 ISLAND LINE

Isle of Wight to London Waterloo

Train times

19 December 2021 until further notice

Your timetable

This timetable shows Island Line train services between **Shanklin and Ryde Pier Head**. Times for the connecting bus link to Ventnor are also included.

Ferries from Ryde Pier Head to Portsmouth Harbour offer connections to mainland train services by South Western Railway to London Waterloo, Southern to London Victoria and Great Western Railway to Cardiff.

Customers for the Isle of Wight Steam Railway should travel to Smallbrook Junction for connecting services. For more information please visit **iwsteamrailway.co.uk**.

Buy a ticket before you board

You need to buy a valid ticket before you get on your train. We know that most of our passengers do this before travelling, and we have a duty to those passengers to make sure no-one travels without paying. This is why we run a penalty fares scheme across most of our network.

If you travel without a valid ticket to or from a station within the penalty fares area, you may have to pay a penalty fare of £20 or twice the single fare to the next station your train stops at (whichever is higher). You will also have to buy a ticket for the rest of your journey.

We have a policy to, wherever possible, prosecute everyone who deliberately avoids paying.

Travel with Confidence

So that you can travel with confidence, we are: ventilating trains to refresh air, improving information about journeys and trains, and extensively cleaning trains and stations.

In crowded spaces, wear a face covering out of respect to others. Please be considerate of other passengers and rail staff.

Changes to train times

Network Rail need to do engineering work to maintain and improve the rail network. They do a lot of this work at weekends and during holiday periods, but they also need to do some work overnight during the week.

If we need to close rail lines so Network Rail can carry out work, buses will replace train services. We may also have to alter train services over a wider area.

Please check for any changes to train times before travelling at weekends, late in the evening or early in the morning. Look for the 'Changes to train times' posters at stations, or visit our website at **southwesternrailway.com**.

National Rail Enquiries

For full details of train services and fares please telephone **03457 48 49 50**.

This is a local call rate service available 24 hours a day.

Public holidays

Services are subject to alteration during public holidays and passengers are advised to check train times before travelling.

Connections

Please note that connections cannot be guaranteed. Rail and ferry services may not be held in the event of late running.

Cycles on Island Line

A maximum of four cycles may be carried at no charge in the 'Shanklin end' of all trains. Island Line reserves the right to restrict the carriage of bicycles on any trains when the safety and comfort of passengers or the punctuality of the train may be jeopardised. Implementation of this restriction will be at the guard's discretion.

Please note that tandems and cycles with attachments cannot be carried.

No-smoking policy

For the comfort of all our customers, smoking and using e-cigarettes is not allowed on any part of our trains or stations.

You can smoke outside the station entrance or in our car parks.

Automated Delay Repay

We have introduced a new Automated Delay Repay (ADR) system that drastically cuts the time it takes to claim and receive compensation if your train is late.

ADR works for all customers who have bought Advance tickets or a Touch Smartcard season ticket from our website.

If you have a Touch Smartcard season ticket, you will need to touch in and out at the beginning and end of your journey, sign up for a Delay Repay account at

delayerepay.southwesternrailway.com and select 'Auto Delay Repay'. (The email addresses you use for 'My Account' and 'Delay Repay' must match.)

Please allow plenty of time to change trains. At most stations you will need to allow at least five minutes. SWR is proud to provide core funding and support to 12 CRPs on our network.
