Buy a ticket before you board

You need to buy a valid ticket before you get on your train. We know that most of our passengers do this before travelling, and we have a duty to those passengers to make sure no-one travels without paying. This is why we run a penalty-fares scheme across most of our network.

If you travel without a valid ticket to or from a station within the penalty-fares area, you may have to pay a penalty fare of £20 or twice the single fare to the next station your train stops at (whichever is higher). You will also have to buy a ticket for the rest of your journey.

We have a policy to, wherever possible, prosecute everyone who deliberately avoids paying.

Changes to train times

Network Rail need to do engineering work to maintain and improve the rail network. They do a lot of this work at weekends and during holiday periods, but they also need to do some work overnight during the week.

If we need to close rail lines so Network Rail can carry out work, buses will replace train services. We may also have to alter train services over a wider area.

Please check for any changes to train times before travelling at weekends, late in the evening or early in the morning.

Look for the 'Changes to train times' posters at stations, or visit our website at **southwesternrailway.com**.

No-smoking policy

For the comfort of all our customers, smoking and using e-cigarettes is not allowed on any part of our trains or stations.

You can smoke outside the station entrance or in our car parks.

Catering services

Our contractors, Elior, provide a refreshments trolley on some of our trains. The  symbol in the following timetable shows which trains have a refreshments trolley for all or part of the journey.

We will do our best to provide the refreshments trolley where advertised. However, in some circumstances, for example during engineering work, we may not be able to provide refreshments on certain trains.

Cycles on trains

The services in this timetable have limited room for cycles, so we have had to apply some restrictions. The  symbol, with train times printed in **blue**, shows which trains have restrictions. These restrictions are explained in the 'Guide to notes and symbols' section.

We will carry folding cycles on any train, as long as they can be folded small enough to be carried safely in the luggage rack. Cycles are not allowed on buses that replace trains during engineering work.

Automated Delay Repay

We have introduced a new Automated Delay Repay (ADR) system that drastically cuts the time it takes to claim and receive compensation if your train is late.

ADR works for all customers who have bought Advance tickets or a Touch Smartcard season ticket from our website.

If you have a Touch Smartcard season ticket, you will need to touch in and out at the beginning and end of your journey, sign up for a Delay Repay account at

delayerepay.southwesternrailway.com and select 'Auto Delay Repay'. (The email addresses you use for 'My Account' and 'Delay Repay' must match.)

East Hampshire CRP

Covers route from Liphook to Rowlands Castle

South Western Railway is committed to working with Community Rail Partnerships (CRPs) across its network. CRPs are 'not for profit' organisations which help to strengthen the link between the railway industry and local communities. Their work includes practical initiatives to improve station facilities and services, whilst exploring ways to enhance integration with other forms of transport.

CRPs also help groups to adopt their local station, so that we can work in partnership to enhance the general appearance of the location. This can include the upkeep of flower beds, introducing planters or creating unique art displays, to improve the ambience of the station.

or contact info@easthampshirerail.co.uk

Surrey Hills to South Downs CRP

Covers route from Haslemere to Farncombe

SWR's newest Community Rail Partnership

Community Rail Partnerships aim to bring the local community together, with the local station as the focus. This includes organising the volunteer information hub at Haslemere. They often include station adoption, consisting of local volunteer led groups who work with us to improve the travelling experience for passengers. This can include the upkeep of flower beds or adding art at the location. The result is a safer, more attractive station that local residents want to use.

South Western Railway

Changing trains

Most journeys shown in this timetable are direct trains, shown in **bold type**. However, you may be able to make other journeys or reach your destination more quickly by changing trains.

To help you find these alternative trains, we show them in the timetable with *light italic type*. A letter against the time will show where you need to change trains – please check the ‘Notes’ section for an explanation of these letters.

Please allow plenty of time to change trains. At most stations you will need to allow at least five minutes. You will need longer at some stations, and this is shown in the ‘Station information’ table in this timetable. For example @ means you should allow 10 minutes to change trains at this station.
