Buy a ticket before you board

You need to buy a valid ticket before you board your train.

We know that the vast majority of our passengers buy a valid ticket before travelling and we have a duty to those passengers to make sure no one travels without paying. For this reason, we run a penalty fares scheme across most of our network.

If you travel to or from a station within the penalty fares area without a valid ticket, you may be liable for a penalty fare of £20 or twice the single fare to the next station at which your train stops (whichever is higher). You will then be required to buy a ticket for the remainder of the journey.

We have a policy to prosecute all deliberate fare evaders, wherever possible.

Changes to train times

Network Rail needs to do engineering work to maintain and improve the rail network. Much of this work is done at weekends and during the holiday periods, but some work also needs to be done overnight during the week.

Buses will replace train services where lines are closed for work to take place. We may also have to alter train services over a wider area.

We advise that you check for any changes to train times before using weekend, late evening or early morning services. Please look for the 'Changes to train times' posters at stations or visit our website at **southwesternrailway.com**

No smoking policy

For the comfort of all our customers, smoking and the use of e-cigarettes is not permitted on any part of our trains or stations.

You can smoke outside the station entrance or in our car parks.
