Bicycles cannot join or leave trains that are due to arrive at London Waterloo between between 07:15 and 10:00 or trains which depart London Waterloo between 16:45 and 19:00 inclusive.

In addition to the above restrictions, Stations between Clapham Junction, Feltham/Strawberry Hill and the Hounslow loop cannot allow bicycles to join or leave trains which are due to leave Clapham Junction between 07:45 and 09:00.

Details of restricted trains are shown in our printed timetables.

At stations outside of this area, cycles can be taken on peak services where space permits. These services can be extremely busy and we ask that consideration is given to other passengers when taking cycles on these trains.

Please note, on the West of England route (London Waterloo to Salisbury, Exeter and Bristol), you will need to reserve space for your cycle. You can do this at any SWR staffed station, or from our Customer Service Centre on 0345 600 0650. Please book 24 hours in advance.

Even where there is no restriction, we cannot guarantee to accept cycles and spaces are allocated on a 'first come - first served' basis. Please bear in mind that our staff may have to decline requests to carry cycles if there is not space for them to be safely carried.

At stations between Guildford and Ascot cycles may be carried at any time.
